The Gift that Keeps on Giving

As a charitable, nonprofit organization, we rely on donations of individuals, corporations and grants to sustain our services and programming. We need funds to operate and reach our goals. You can be a part and gain a sense of personal satisfaction by naming MSHL as a beneficiary of your estate.

Take a moment to explore the ways of giving available to you and discover how your gift to Milan Seniors can also help you achieve your financial, philanthropic, and estate planning goals.

A gift to MSHL in your will or revocable trust proclaims your confidence that we will continue to serve our mission and make a difference in the lives of seniors in and around Milan. A bequest is easy to arrange and will not alter your current lifestyle in any way. It can be easily modified to address your changing needs.

You may name MSHL as a beneficiary of your retirement benefits. Naming MSHL as the beneficiary of a qualified retirement plan asset will accomplish your desire to help our center while realizing significant tax savings. It can be costly to pass such assets on to your heirs because of heavy tax consequences. By naming MSHL as a beneficiary of a retirement plan, you maintain complete control over this asset while living, but at your death, the plan passes to support the program and services of Milan Seniors, free of both estate and income taxes. Please check with your tax professional for details.

September Programming

DEMENTIA SERIES / presented by DEMENTIA FRIENDLY SALINE

Effective Communication—Part I / Tuesday, September 3rd @ 11am

It is not only possible but important to communicate with a person with dementia throughout their entire journey. The dementia techniques change as the journey continues and as abilities diminish. But the person with dementia will always be exactly that—a person deserving to be reached, and able to reach out. Families and caregivers just need to adapt how they reach out and how they respond. Hear from a caregiver with 17 years of personal experience.

Effective Communication—Part 2 / Tuesday, September 17th @ 11am

Some topics are difficult to discuss with family members even in the best of times. When a loved one is beginning the unwelcomed journey into dementia, various topics (driving, doctor visits, legal and financial planning) can be all the more difficult. This presentation will discuss a systematic approach to preparing and conducting conversations in a way that is respectful for all persons.

Milan's Dementia Friendly Challenge / Monday, September 16th @10am

What does a Dementia Friendly Community look like? Why is it important?

This presentation is for Milan businesses and organizations to learn how they can become dementia friendly. Presented by Dementia Friendly Saline and supported by Milan Seniors for Healthy Living and the Milan Area Chamber of Commerce, we hope Milan takes advantage of this awesome opportunity.

**Snacks provided by The Gardens Senior Living, Carleton.*
