Titles II and III of the American Disability Act of 1990 (ADA) provides that no entity shall discriminate against an individual with a disability in connection with the provision of transportation services. The law sets forth specific requirements for vehicle and facility accessibility and the provision of service, including access to fixed route bus and complementary paratransit service. MSHL is committed to providing safe and reliable transportation to all people without discrimination based on disabilities.

#### **MSHL's Responsibility**

This may involve legal assistance and/or mediation. We will document all of the process including the resolution and will notify our MDOT project manager of the complaint and the resolution. We will keep the complaint and all related documents on file for at least one year. We will keep a summary of all complaints filed for at least five years.
